Dear Chair Kobayashi and Committee Members:

**SUBJECT: Resolution 17-350, Accepting a Gift to the City
from Nagoya Toyopet**

During the last meeting of the Committee on Parks, Community & Customer Services held on January 23, 2018, you requested a copy of the Master Plan as a condition for the approval of Resolution 17-350, Accepting a Gift to the City from Nagoya Toyopet. In response to your request, attached is a copy of the Thomas Square Master Plan. Please know that, according to updated information from the Department of Design and Construction (DDC), there have been a few modifications to this plan that are not reflected in the attached rendering. Most notably, the locations of the flagpole and statue have been moved to the middle and farther back towards the banyan trees, and a center walkway has been added leading to the flagpole and statue from King Street.

The gift from Nagoya Toyopet will be directed to this project. As the project develops, the Department of Parks and Recreation and DDC will discuss the specific use of the gift.
